

"Wild roved an Indian maid,
Bright Alfarata,
Where flow the waters
Of the blue Juniata.
Strong and true my arrows are
In my painted quiver,
Swift goes my light canoe
Adown the rapid river.

"Bold is my warrior good,
The love of Alfarata,
Proud wave his sunny plumes
Along the Juniata.
Soft and low he speaks to me,
And then his war-cry sounding
Rings his voice in thunder loud
From height to height resounding.

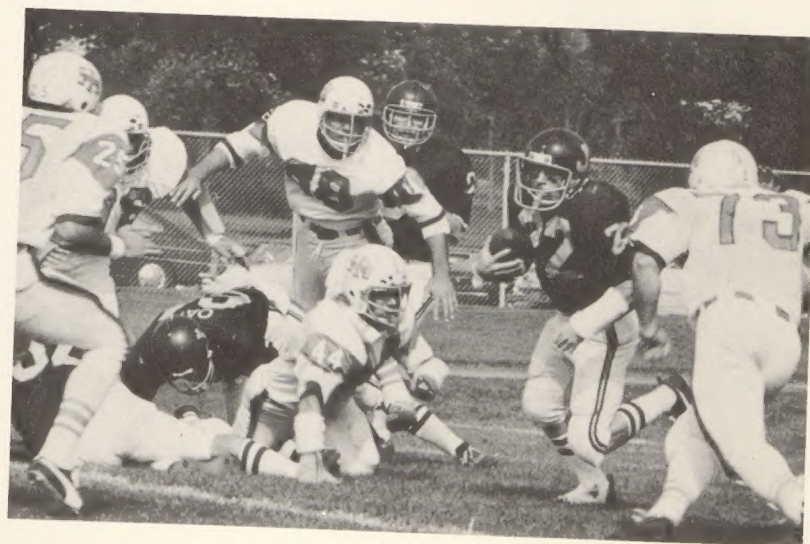

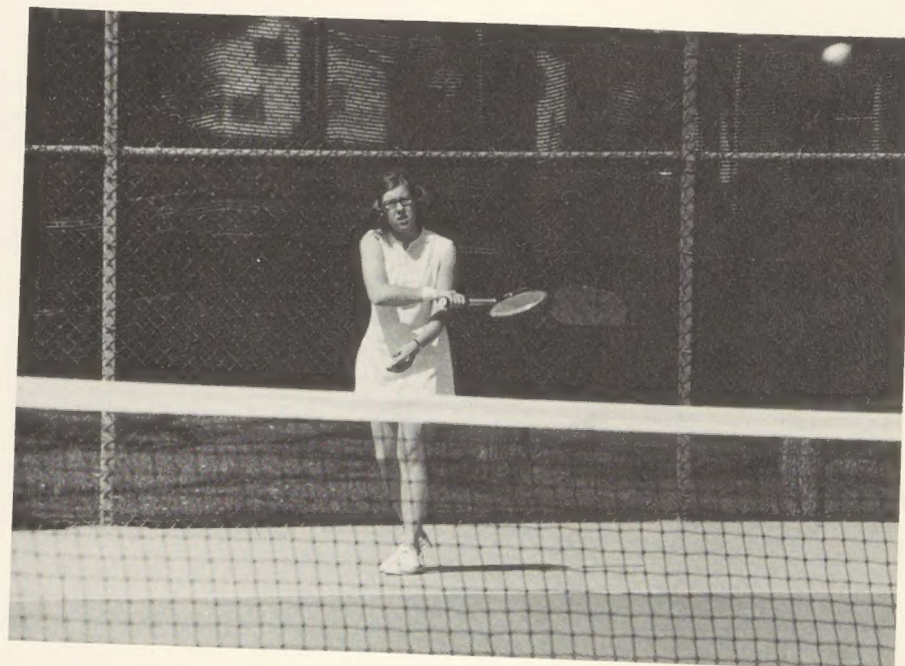

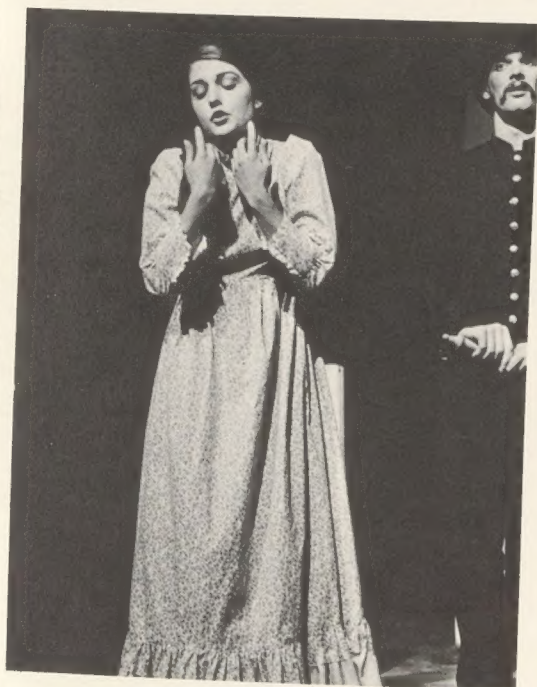

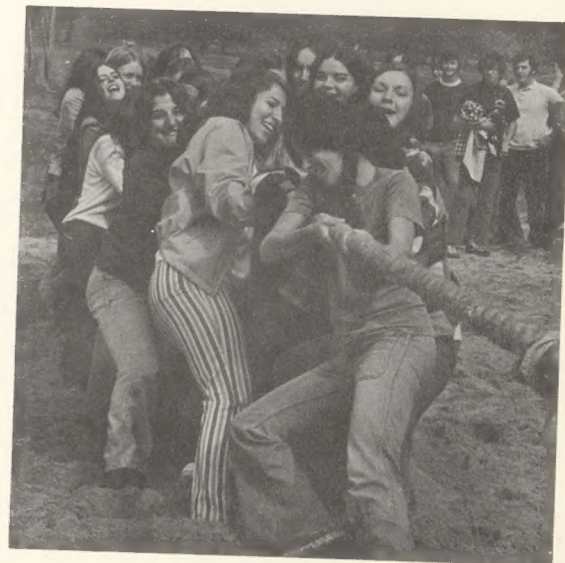

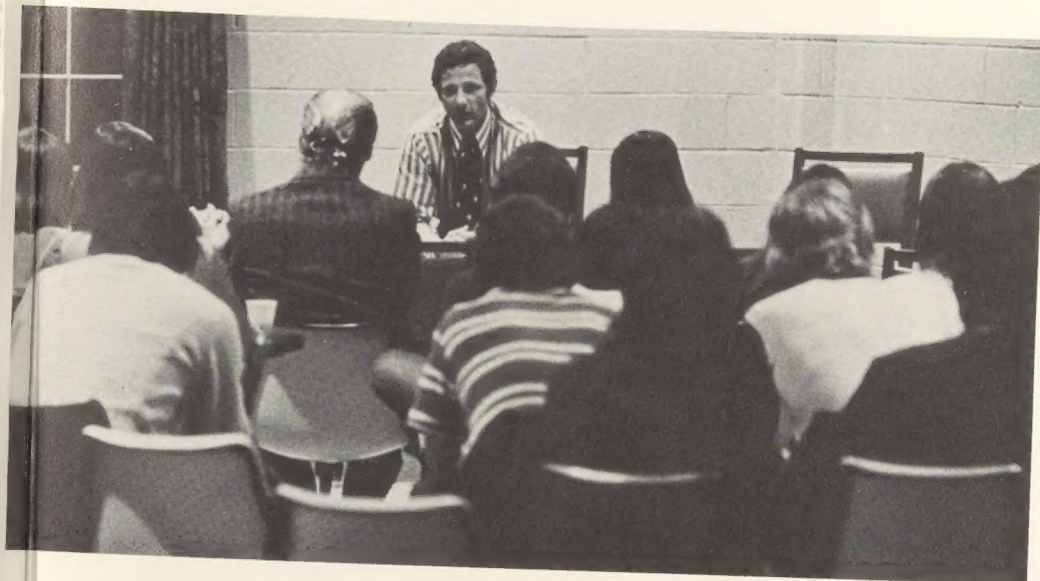

"So sang the Indian maid,
Bright Alfarata,
Where sweep the waters
Of the blue Juniata.
Fleeting years have borne away
The voice of Alfarata,
Still flow the waters
Of the blue Juniata."

INVOLVEMENT . . .

. . . "the college experience" . . .

INVOLVEMENT...

Certainly a primary goal of Juniata College is to provide a sound base for liberal education so that its graduates have the intellect, background and individuality needed to make significant decisions and contributions in a changing world. The years of education beyond high school are often referred to as "the college experience," and no other phrase describes as fully the meaning of these years. College is more than passively attending classes and ultimately receiving a degree; it is a composite experience of active participation in the life of the campus and a sharing of knowledge and experiences with other members of the college community.

During the 1973-1974 college year, students at Juniata have been involved in numerous academic programs and campus activities—formal and informal—all of which are important parts of the college experience. The pictures in this yearbook silhouette the year just past. Hopefully they will elicit fond memories of your involvement with the people and activities that made the year a meaningful one for you.

Coach Walt Nadzak receiving the second place award from Chairman Carl Jones at the Phenix City Stag Bowl.

This year's football team was outstanding with a great squad, including Lou Eckerl voted as the most valuable player in the Northern Division; while eight other players were on the squad of the year. Also, we had a tremendous coaching staff headed by Coach Walt Nadzak. One glance at the scoreboard shows our winning season, starting by becoming the M.A.C. champions, followed by winning the Eastern Division of the N.C.A.A., and finally by capturing second place in the nation for small colleges. Juniata's football team should be commended for their successful season.

Fall Intramurals

At Juniata College, intramurals are as important as the intercollegiate sports to the students. The intramural program allows for every student to become involved in one or more of his favorite sports. The program offers each sport to men and women. This year the fall sports were football, powderpuff football, 6-man soccer, 11-man soccer, and tennis.

I would like to express my sincere thanks to all of those who helped to make this year's *Alfarata* a reality. We came through some difficult situations this year but thanks to the guidance of Dave Kreider and Dean Robinson, most of the problems were worked out well. I would also like to thank my assistant editors; Cindy Gilbert (Ass't Editor), Kathy Irwin (Special Events & Organizations), Cathie Conroy (Fac. & Admin.), Sue Smith & Mary Stauffer (Sports), Sue Armes (Underclassmen), and Diane Schaal (Seniors), along with Gordon Holsinger, Terry Schroeder, and Elaine Persbacker (Bus. Staff), and the rest of the staff, for a job well done.

My thanks also to those who stuck with the book until its completion, Steve Bartholomew (Photo Ed.), Sue Ellen Runyan (Ass't Bus. Man.), and Doug Shank; without their help the book would not have been done. And a very special note of thanks to my wife—Sue Ann, Mike Gilroy our close friend and Sales Rep.,—and to the invaluable direction the Lord gave as we endeavored to complete the book.

I wish the best to next year's staff and I hope that this book reveals 1974 as a "Very Good Year".

Steve
